

FINESTRAL

SITUATION VACANT

Due to further expansion in our company operations we are seeking to recruit self-motivated individuals for the following posts:

- **PVC and Aluminium Assemblers**

We are looking for individuals in the production line and assembly of Aluminium and/or PVC apertures. Hard working and experience candidates will be given priority.

- **PVC and Aluminium Installers**

We are looking for responsible individuals to be part of our installation team.

- **Metal Welder**

We are looking for an individual with experience in welding and metal assembly.

- **Production Engineer**

Selected candidate must be experienced in Aluminium/PVC CNC machinery

Ability to prepare cutting lists through the appropriate software.

Responsible for the programming and allocation of works.

Keeping adequate stock levels necessary for production.

Good communication skills, computer literate, organised and flexible.

Experience candidates will be given priority, but further training will be provided.
